With Points of Interest
and Important Transit Information

Welcome to Dart Arthur Transit

You can go places with PAT PAT buses routes / take you to work, shopping centers, hospitals, schools, city and county facilities, cultural centers, offices, parks and businesses - with comfort and safety.

How to Use the System Map

PAT's eleven local bus routes are shown on this System Map in colors. Locate your starting point, your destination and the bus route nearest them on the map. If the bus route nearest your starting point does not go to your destination, you may require any other PAT route. Call 983-8767 if you require any help planning your trip.

Route maps and timetables for each route are located on the reverse side of the System Map. Check the schedule with the same route / number as the one you have chosen on the System Map for the times the bus will arrive at the stop near you. The schedule will also tell you when you can expect to arrive at your destination.

Hours of Operation

PAT buses operate from 6:15 a.m. until 6:15 p.m. on routes 1 - 8 and 7.45 a.m. until 5:45 p.m. on routes 11, 9 and 10. Monday through Friday, no service is available on Saturday, Sunday or city holidays.

Transfers

If your bus doesn't take you as far as you want to go, you may have to transfer to another bus. A transfer can be made wherever routes intersect, and are available from the bus driver when boarding. Transfers cannot be used on the same route if they were issued or to ride to the same starting vicinity without paying a second fare. All transfers are valid for one hour.

Please Note: All routes with the exception of routes 9, 10 and 11 connect with other routes at the Downtown Transfer Terminal. This means that many trips can be made without transferring. The connections are as follows: Route 2 to Route 5; Route 4 to Route 7; Route 6 to Route 1; and Route 8 to Route 3.

How to Identify your Bus

Every PAT bus has a destination sign above the windshield and on the front curb side. These signs indicate route number and route name. The illustration below shows where to locate this information on PAT buses.

Bus stops

Arrive several minutes early and wait at the bus stop sign. Many PAT bus stops have been designated along the routes. Please utilize these PAT stops. Check the destination sign on the front of the bus (above the windshield) or on the side where you board to be sure you are boarding the right bus. If you are in doubt, tell the driver where you want to go and ask if you are getting on the right bus.

Using the Bus

Let exiting passengers off before you board. Enter at the front door of the bus. Have exact change ready and deposit in the fare box. If you need a transfer, ask for it when you deposit your fare.

As the bus nears the location where you want to get off, pull the cord located above the windows or press the yellow strip between the windows. A bell will alert the driver to let you off the bus at the next corner.

Rules to follow When you Ride PAT Buses

Everyone has a better time on the PAT when you follow rules of safety and courtesy:

- Offer front seats to the disabled/elderly
- No smoking, eating, or drinking
- No running in the aisles

- No playing loud music
- No rude language
- No excessive talking with bus operators
- Always keep hands & head inside bus and clear of opening and closing doors
- Remain seated until the bus comes to a stop
- No littering

persons who are unable to use the fixed route system. Call 983-8796 for information on eligibility.

If you need questions or need more information about Dart Arthur Transit, call:

983-8767

Special Transit Services

PAT also offers a specialized door-to-door transportation service for the elderly and handicapped

How to Read a Schedule

Once you've determined which route covers the area you want to travel using the PAT System Map, you may need more detailed information about the route. The individual schedules for each individual route consist of maps and timetables. The schedules show when buses arrive at sample bus stops, or time points, along the route. The route maps and timetables always start with time point one (1) and run to the next consecutive number.

Look for the corresponding number below the map for scheduled times the bus will pass a time point. Keep in mind that the arrival times of the bus may vary from these listed times due to traffic conditions, weather or unforeseen events, so it's a good idea to arrive a few minutes early. If you need any help figuring out times for other stops, please call us at 983-8767.
