

NOTICE OF PUBLIC HEARING

According to the new 2020 Census data, the City Council single member districts are not of sufficiently equal population and must be redrawn in order to comply with the “one-person, one-vote” (equal population) principle established by the U.S. Constitution.

Therefore, the Port Arthur City Council is considering new boundaries for its councilmember districts and wants to hear from you. Tell us what you think about the preliminary councilmember district plan at the public hearing described below:

PUBLIC HEARING ON REDISTRICTING PROPOSALS
