ADDENDUM NO. THREE (3)

SEPTEMBER 25, 2023

BID FOR: WATER LEAK REPAIRS FOR UTILITY OPERATIONS

BID # 23-067

The following clarifications, amendments, deletions, additions, revision and/or modifications are made a part of the contract documents and change the original documents only in the manner and to the extent hereinafter stated and shall be incorporated in the contract documents.

Provisions of this addendum shall take precedence over requirements of the original contract documents and all **BIDDERS ARE REQUESTED TO ACKNOWLEDGE SAID PROVISIONS IN THE SUBMISSION OF THEIR BID.**

Addendum as follows

1. Attached is the Revised Bid Sheet with overtime.
2. The overtime is only approved when the emergency repair is needed. When a contractor works continuously over 8 hours, the extra hours needed are counted as overtime. See the RAPA document for the overtime rate. The contractor has to document the repair details, including leak repair summary, start/end time, the staff on-site, and the equipment utilized. The total overtime estimate for 200 hours.

If you have any questions, please contact the Purchasing Division at 409-983-8160.

NOTE: ALL PAGES OF ADDENDA MUST BE SIGNED AND SUBMITTED WITH YOUR BID DOCUMENTS.

Trench Box 8x16	\$	Jet Machine	\$
Rubber-tired backhoe	\$	Light Tower	\$
Pavement Saw	\$	Dump Truck	\$
Skid Steer Track Loader	\$		\$

1. The Estimated hours and materials costs in the above table are to provide a level and equal bid for all bidders and a contract value, but actual work under the contract will be charged at the Price/Hour for each position/equipment and the actual hours worked. Actual work will not be limited by any position or equipment to the hours listed in the above table. The contractor shall prepare for extra pump/equipment needed on different cases.
2. The contractor shall attach hourly rates for any additional equipment which was not on the bid table.
3. The successful bidder shall track the amount expended on the contract with each work order and shall notify the Water Utilities designated Contract coordinator when 90% of the funds have been expended or if an estimate for a task order will exceed the 90% level.
